Thursday 19th March 2020

Dear Parents/Carers,

As you will be aware, the UK Government has now decided that all schools in the United Kingdom will close from **Friday 20th March 2020**. We know that this is a difficult time for everyone and we would like to be able to continue to support your child's learning as best we can.

We have provided a list of tasks in key areas of the school curriculum. We have included a printed version this week, but in future, these information sheets will be available on the school website under the year group page.

Your child has also had their personal login details for the school learning platform - **DB Primary** - and an online learning portal - **Purple Mash** attached to their reading diary. They can use these applications to carry out all sorts of activities to support curriculum-wide learning.

There is a list of other applications and online resources for your child to access on the weekly learning sheet.

We have sent an exercise book home for your child to complete writing tasks as well as a short novel for them to read and keep.

Many thanks for your support, and in the true spirit of our school:

Together with Christ everyone achieves more

Year 3 and 4 Staff

Coventry
