My Happy Mind

As we shared in September, we have introduced the 'My Happy Mind' programme across school to support our children's positive mental health. We are delighted to share that we have been accredited as a bronze school for the excellent start made in embedding this. Well done all, and thank you to Miss McKenna who co-ordinates the programme and the assessment of progress. We want all of our community to have happy minds!

Another busy week at SMSB!

Remember to make sure your child reads for twenty minutes a day, including over half term! Reading is the key to success.
