St Benedict's Day

We will be celebrating our patron saint's feast day next Friday with a special Mass. We will reflect upon St Benedict's key teaching to his followers - Ora et Labora (Pray and Work) - and how it is as important to us today.

Reports

Annual Pupil Reports will be sent home in the final week. They include the attendance data for the whole year, showing if your child has met the target of 97% attendance, and test results from national tests along with school assessments along with a celebration of all they have achieved this year, and how they are progressing as learners.

We have been informed by the Department for Education today that Year 6 SATs results are delayed. We hope to be able to share your child's results before term ends.

AC Academy

Summer Showcase

Please make sure
your child has a
bottle to fill with
water each day.

Have a lovely weekend!

Pauline MacDonald
Head Teacher

Dr Bike was kept very busy on Tuesday, repairing over 30 bikes in one day, including fixing brakes and punctures, tightening wheel nuts and removing stabilisers. We are very grateful that our children can now enjoy cycling safely. Thank you, Dr Bike!

Well done to this week's
super Star Readers!!!

The Nursery children explored height and comparison by building towers and seeing who could make the tallest. They showed great focus, problem-solving, and early maths language as they compared and adjusted their builds to make them even taller!

Another busy
week at SMSB!

We had a lovely morning meeting our new children. There was lots of fun and smiles as the children explored together and settled in. Thank you to all the parents and carers who attended we can't wait to welcome you all in September!
